

LOUISE MOESGAARD NIELSEN

GOALS

I want to work with frontend development/frontend design. I want to work more with CSS3, HTML5, JavaScript, frameworks, libraries and gain a greater understanding of timemanagement, work distribution, Git, etc. in a workplace. Working with adobe programs (AI, XD, PS, ID etc.) is a big plus too.

Date of birth: 18 Decemeber 1994.
Address: Skyllebakke Havn 4, 3600 Frederiksund
Marital status: Married
Phone: 60636430
E-mail: louise@moesgaard.dk

Education

Skills

MULTIMEDIA DESIGN AND COMMUNICATION |

2019 - 2021

KEA - COPENHAGEN SCHOOL OF DESIGN AND TECNOTOGY

The education provides knowledge and skills within user interface design and development, user experiences (UX), content production for digital media, technology and business understanding.

My overall focus has been on development of games, websites etc.

HEALTHCARE TECHNOLOGY | (UNFINISHED)

2016 - 2019 (3 SEMESTERS)

DTU - TECHNICAL UNIVERSITY OF DENMARK

Technology and health science. It provides a basic knowledge of human anatomy and physiology, as well as mathematics and IT (both backend and frontend development and design in XD)
